

Hope Haven Area Development Center Corporation

It was getting close to Christmas....
and we were checking our list,
What do we buy for our great Aunt Di?

Scarves, mugs, n' fruit basket made do in years past,
but we need a fresh concept and we need it fast!

Then what to our wandering thoughts should appear,
but a gift to Hope Haven filled with good cheer.
A novel idea, that's deductible too,
A gift in Aunt Di's name that will promote good will.

- Gifts of property, securities, or cash.
It will be appreciated and you'll be thanked in a flash!
Let's do it today, we'll give Aunt Di the call,
The gift search is over, Happy Holiday to all!

YOUR SUPPORT IS GREATLY APPRECIATED!

Winter 2007

(Please use the enclosed envelope for your convenience.)

ADMINISTRATION OFFICE MOVES

The Administration Office moved to a new location. This will provide the Administrative Staff with some much needed workspace. It will also provide us with a board room which we do not have now. If we are able to raise enough money we hope in a few years to be able to build an Administrative space back on the Hope Haven campus. We hope everyone will stop over to see us!

Attention Friends

Effective immediately our new mailing address is:
Hope Haven Administration Office
1307 Broadway
West Burlington, IA 52655

If you know the party or department you would like to reach, please put "Attention: John Doe". The mail will be delivered to staff on the Hope Haven campus on a daily basis. Thank you so much!

FACILITY/HOUSING NEEDS

Hope Haven is getting ready to embark on a capital fund drive to meet increasing space needs as well as additional housing options for persons with disabilities. It has been more than 20 years since we have gone to the community for a capital fund drive. We will need everyone's assistance to help us achieve our goals. No gift is too small. If you would like to designate your year end gift to the building campaign, please indicate on your check or in writing. We thank you so very much for your help!! Currently, we are still in the planning process and we will keep you posted on plans as they develop.

CULLEN CENTER DEDICATED

October 3rd marked a special day in the life of Hope Haven. The Douglas Building was rededicated and renamed The Cullen Center. The Cullen family has been a long time supporter of Hope Haven.

Vincent & Nina Cullen supported Hope Haven's mission for many years. We were so pleased to have Jim & Doris Cullen Van Olst with us for the ceremony. They came from Corvallis, Oregon to help us celebrate.

If you weren't able to come to the open house, please feel free to stop by 1905 Douglas.

Doris Cullen VanOlst and her husband Jim cut the ribbon on behalf of the Cullen Family.

Jim & Doris Cullen Von Olst show the plaque that will be displayed in the Cullen Center.

ATTENTION PARENTS, FAMILY MEMBERS & GUARDIANS

Many of you have asked, "What can I do to help support Hope Haven to ensure programs will be here in the future?" Here are some suggestions:

~ When possible, help out financially through gifts of cash, securities, property, memorial giving, or through your will.

~ Attend staffings - staffings are an important team meeting in determining programming needs for your loved one. Funding source representatives need to hear your input. Your input is valued!!

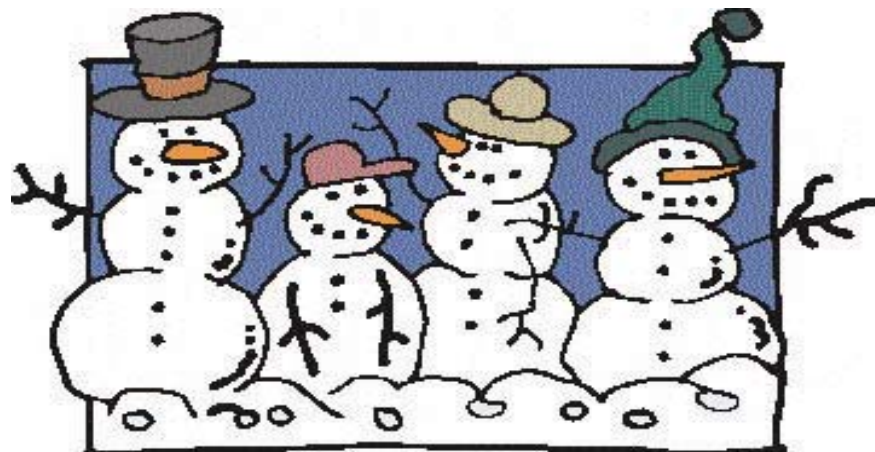

~ Attend events - your attendance is appreciated and important to consumers and staff.

~ Support fundraising events by volunteering your time, financial support and attendance!!

~ Contact your elected officials!!! When services are threatened of being cut or eliminated, please contact your elected officials and let them know how valued these services are to you and your family. And....don't forget to thank them for their efforts on behalf of disabled individuals.

~ Review our wish list and capital needs and help if you can.

~ Encourage staff by saying, "Thanks!"

HAPPY ANNIVERSARY

As a result of forward thinking of our board of directors and the Hope Haven management staff, and thanks to a great deal of support from the community, an unmet need in our area was achieved in November 1987. Woodlake ICF/MR was constructed and the first residents moved into Brueck Home on November 9, 1987. Children with mobility needs now had a place to live and moved into Ertz Home in December 1987. Happy 20th Anniversary!

BRUECK PREPARES FOR HOLIDAYS

We have just taken down our Halloween decorations. The home looks bare with all our ghouls and goblins put away, but it won't be long before we decorate for the next holiday. We are all getting prepared for Thanksgiving and Christmas.

All the residents at Brueck Home are very excited about getting in the mind set for baking and eating turkey and pumpkin pie. Some of us are already excited about decorating for Christmas, doing our Christmas shopping, and starting our cookie baking. We always look forward to the first snow fall and the Christmas parade.

November brings Woodlake ICF/MR's 20th anniversary, what an achievement for Hope Haven. There will be a celebration in January, after all the holiday celebration ends, at Brueck and Ertz. Hope to see everyone in January at our 20th anniversary celebration.

Have a happy warm, safe winter! Merry Christmas and have a happy safe New Year.

From the Residents and Staff at Brueck Home

We want to express our sincerest thank you for your faithful support of Hope Haven this past year. We are deeply grateful for your help as we continue to fulfill our mission to assist persons with disabilities to live a life of opportunity and well being.

EMPLOYMENT SERVICES UPDATE

Some exciting and new opportunities are happening in Community Employment Services. We have recently placed clients at Messiah Preschool and Catfish Bend Casino in Burlington, S& J Tube and Johnie B's in Wapello, Hy-Vee in Mt. Pleasant, Taco Bell and Little Angel's Preschool & Child Care Center in Keokuk. We have recently explored a new business opportunity giving clients work experience through enclave. An enclave is a small group of clients and a team leader from CES working within an area business. The enclave provides an intermediary step for clients who may be interested in competitive or supported employment. Work crews typically travel to area businesses to perform various duties. At this time, we are primarily concentrating on janitorial duties. CES provides bids to an interested business and then provides the workers for the needed work. Transportation is provided by CES staff as part of the service. If your business would like any additional information on this exciting program please contact Eva Castillo at (319) 754-5774 ext 211.

The following individuals, organizations, and businesses have donated cash, goods, services, or the use of their facilities from August 24th, 2007, through November 2nd, 2007. We thank all for their generosity. We sincerely hope that we have not inadvertently left anyone off the list. Please contact us if your name or organization has not been recognized.
