DEDICATED TO THE LIFE AND MEMORY OF MARTA CHAMLEE

by Jennifer Diewold

This newsletter is dedicated to our longtime co-worker and friend, Marta Chamlee. Marta passed away last fall and is still thought of daily by many of us. Marta was a strong and courageous person through life and her fight with cancer. Marta was adored by the clients and set the example that you face whatever is put before you with strength and courage. When the clients spoke of Marta after her passing they only had good things to say and showed a deep sadness for their loss. Here are a few of the comments made about what a wonderful and dedicated person Marta was:

“Marta cared about us.”

“She helped us bake cookies and other goodies.”

“She was a good supervisor, she was my supervisor.”

“Marta was always happy; she always had a smile on her face.”

“I was in her group.”

“Why did she have to die?”

Marta worked at Hope Haven for 14 years, but when you do this type of job it's not about work it's about commitment. She was very committed to the well-being of the clients and her peers. Thank you Marta for your commitment and friendship, you are thought of often and greatly missed.

Toni Steffener enjoys painting art at Alternative Services.

Advocacy Support Needed for Direct Support Professionals

In 2001, the **American Network of Community Options and Resources (ANCOR)** initiated a National Advocacy Campaign to address the staggering Direct Support Professional (DSP) workforce crisis facing America. We invite you to learn more about the critical daily supports DSP's provide to millions of people with disabilities and join us in taking action to build a stable, qualified DSP workforce. You can learn more at the following website: <http://www.youneedtoknowme.org/>

How to be an advocate?

Take Action

- *Inform others of this critical issue.*
- *Contact your U.S. Representative today and ask them to co-sponsor H.R. 1279, the Direct Support Professionals Fairness and Security Act. You can call your U.S. Representative through the U.S. House of Representatives switchboard, 888-355-3588, or take two minutes to send a message to your U.S. Representative through ANCOR's Action Center. (<http://www.ancor.org/capwiz/index.cfm>)*

FLEX CELEBRATES 10 YEARS

On January 2nd, Flex marked 10 years of service. An anniversary open house is in the works for late spring/early summer.

Everyone is looking forward to spring - no more snow, and being able to participate in more community activities. We are renewing our yearly membership to the REC Center, thanks to donations. We're ready to walk the track, swim, and use the hot tub.

Our clients love to stay busy with production, so we want to thank all the businesses or individuals who provide jobs. We have recently done: bag assembly for HON, shredding for Hy-Vee, collating envelopes for United Church of Christ, bag assembly for Lomont, and personal shredding.

With the help of the monthly report done on KILJ, we have been more recognized in the Mt. Pleasant area.

We are currently looking for a different building, as our client attendance is reaching its limit (25). We only have 2 openings available.

We will soon be collaborating with Alternative Services to work on modern/abstract art projects that will be displayed at Iowa Wesleyan College sometimes this summer.

We also want to announce a change in the Swing Fore Flex format. We are going to go with a dance theme this year instead of golf. This will be held on June 12th from 1:00 - 2:30 at the United Methodist Church, 309 N. Main. We will be serving punch, cookies, and snack mix. *Just Push Play* will be our DJ.
