A MESSAGE FROM CEO CHERYL PLANK

After completing my first month at Hope Haven I must say I am quite impressed with the operation, most importantly the dedication of the staff. Everyone can read the headlines and listen to the news to know that we are dealing with a workforce crisis, as there are fewer people unemployed than there are job openings. Knowing every business is experiencing workforce issues, the teams here at Hope Haven are so passionate and caring and take on the challenge with care and professionalism. The work ethic here is above reproach. However, we must figure out how to provide services to people with disabilities and mental illness in different ways than what we have done traditionally in order to maintain this level of excellence. I know the teams and I are up for the challenge! I am excited and honored to be a member of the Hope Haven team and look forward to learning more about our organization and the communities we provide services.

Peace,
Cheryl

CONNECTING WITH COMMUNITY BUSINESSES

Hope Haven's Employment Specialists have been hard at work connecting with community businesses to create work opportunities and connections for the individuals we serve! Since November 2021, ten individuals have gotten new integrated jobs in their communities. We love our partnerships with these local businesses that give opportunities to those we serve and want to recognize them for their commitment to an inclusive and diverse workforce- Thank you!

BIG HOLLOW

A group from our Unterkircher Program in Burlington, went out to Big Hollow last Fall and made s'mores and had a bonfire!

FLEXIBLE SERVICES

Flexible Services enjoyed receiving cute stuffed animals from Dwayne Woodson and Toni Sempf.

HOPE HAVEN LEADERSHIP TEAM

The Hope Haven Leadership Team had the opportunity to have some great conversations with local legislators at the Capitol in Des Moines. There were many others across Iowa who are a part of the Iowa Association of Community Providers, advocating for the individuals they serve.

WE'RE DELIGHTED!

The Hope Haven Leadership Team and Board of Directors were delighted to have the Director of the Department of Human Services, Kelly Garcia; and the Director of Iowa Medicaid Enterprise, Liz Matney, tour the facilities and have a discussion. We appreciate their wanting to stay connected to the services organizations like Hope Haven provides and to meet individuals participating in the services. The number one topic of discussion was the work-force issues we are all experiencing. We appreciate their time, advocacy and support of our work.

BOWLING AT FUN CITY

A group from our Adult Development Program had a great time bowling out at Fun City!

MARVIN'S SURPRISE 50TH BIRTHDAY PARTY
